Case 2:22-cv-10642-GAD-EAS

**FIFTH REQUEST FOR JUDICIAL
NOTICE**

Jason Goodman by and for himself pro se (“Goodman”) comes now to request the Court take judicial notice of empirical facts on the docket. On Monday July 18, 2022, at or around 11am, Goodman called the Court in response to an email sent by Teresa McGovern (“McGovern”) on January 19, 2022, which said, “If you have any questions or concerns, please do not hesitate to contact me” and included her phone number. McGovern repeatedly interrupted Goodman and denied or contradicted virtually everything he said insisting matters of empirical fact were merely Goodman’s opinion. McGovern cited an obstruction in an exhibit which supported allegations that Richard Lorry violated state and other laws when he Authored and filed ECF No. 12 in Sweigert v CNN Case 2:20-cv-12933-GAD-KGA. Attached to this notice is a clarification that shows ECF No. 12 was filed on June 18, 2022, three days prior to its existence according to the creation date June 21, 2022. **(EXHIBIT A)**

McGovern refused to answer questions regarding the possible existence of a
FIFTH REQUEST FOR JUDICIAL NOTICE - 1

1 receipt from the MIED Pro Se filing website which might prove who filed the document.

2 McGovern persisted throughout the call to refute any statement Goodman attempted to make,
3 interrupting him repeatedly and becoming increasingly anxious as the call progressed.
